AN ACT

PROVIDING FOR AND REGULATING THE STATE REGISTRATION OF NURSES

(Excerpts)

Section 7. Each person registered with the board as a registered nurse or licensed attendant shall, annually on or before the first day of November, cause his or her certificate to be recorded in the office of the board. The fee for such recording shall be one ($1.00) dollar for the certificate of a registered nurse and fifty cents for the certificate of a licensed attendant, or such other sum as may be fixed by the Department of Public Instruction under authority of law. The form and method of such recording of certificates shall be provided for by the board in such manner as will enable the board to carry into effect the purposes of this act.

Section 8. Each person, causing his or her certificate of registration to be recorded as required by law, shall be given a card, called a "Certificate of Record," showing the year for which it is valid and which shall entitle the recipient to practice as set forth thereon.

Section 9. It shall be unlawful for any one, without a valid "Certificate of Record" as provided for herein, to practice as a registered nurse, or licensed attendant, or in any way hold himself or herself out to be such; and he or she shall, upon conviction thereof before any magistrate, alderman or justice of the peace in the county where the offense shall have been committed, be subject to a fine of not less than ten ($10.00) dollars and not more than one hundred ($100.00) dollars, to be collected by summary conviction as like fines are now collected by law, or in case of nonpayment of the fine, to undergo an imprisonment in the county jail for a period not exceeding ten (10) days: Provided, That any person so convicted shall have the right to appeal as in any other case of summary conviction.
